Notification dated 25th November 1935.

1, Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 2 P.M. on 17th December 1935, for conveying materials required in connection with the replacing of old steel poles and baliga poles in " M " Section between Kankanhalli and Sarjapur.

2. The tenders should be superscribed " Tenders for conveying materials for replacing poles in " M " Section " due at 2 P.M. on 17th December 1935, and should be accompanied by earnest money of Rs. 100. The earnest money should be sent separately by Registered Post and should be either in currency notes or cheques drawn on the Mysore Bank, Bangalore, or the Imperial Bank of India, Bangalore.

3. When once the tender is accepted, no special rate will be given on any representation whatever.

4. The contractor may use any means of conveyance for the transportation of the materials, but will be paid for only on unit basis.

5. The materials will have to be carted from Bangalore and from Closepet Stores to the workspot along the route from Sarjapur to Kankanhalli and dumped at places pointed out by the officers in charge of the work.

6. The materials to be carted consists of 45′ steel poles, Kolar lines old poles, cross arms with bolts and nuts and other hardwares, insulators, aluminium cables, etc.

7. The rates to be tendered shall be in the following form and rates entered in words and figures for each of them.

Serial No.	Details	Unit	Rate per mile	
			Road	Cross Country
1	45′ steel poles weighing about 1,200 lbs.	Each.		
2	Old released Kolar line poles with clamps, weighing about 900 lbs.	„		
3	Insulators	5 Insulators per crate.		
4	All other miscellaneous materials, such as hardware materials, aluminium cables, etc., ...	1,500 lbs.		

8. The Chief Electrical Engineer is at liberty to accept one or more tenders, as he deems fit and reserves the right to reject any or all the tenders, without assigning any reasons therefor. He is also at liberty to transport the materials by the Departmental Lorries, hand-carts or by head-loads, and the contractor cannot claim any compensation on that account.

9. On receipt of communication of the acceptance of tender, the tenderer will be required to deposit a further sum of Rs. 150 and execute an agreement with the Department to guarantee satisfactory execution of the contract.

10. The accepted tenderer should arrange to post his representatives at the places from which the materials have to be carried, after furnishing this Department the name and identification, to take instructions from the Departmental officers for the carting and should have carts ready within 24 hours' notice. In case of failure, the Department will make their own arrangements for carting the materials and any extra cost incurred thereby, will be recovered from the contractor.

11. Contract will also be liable to be terminated at the discretion of the Chief Electrical Engineer, if the conditions of the contract are not fully complied with and the earnest money deposited will be forfeited to Government.

12. In all cases of dispute, the decision of the Chief Electrical Engineer shall be final.

M. HAYATH,
For *Chief Electrical Engineer.*
